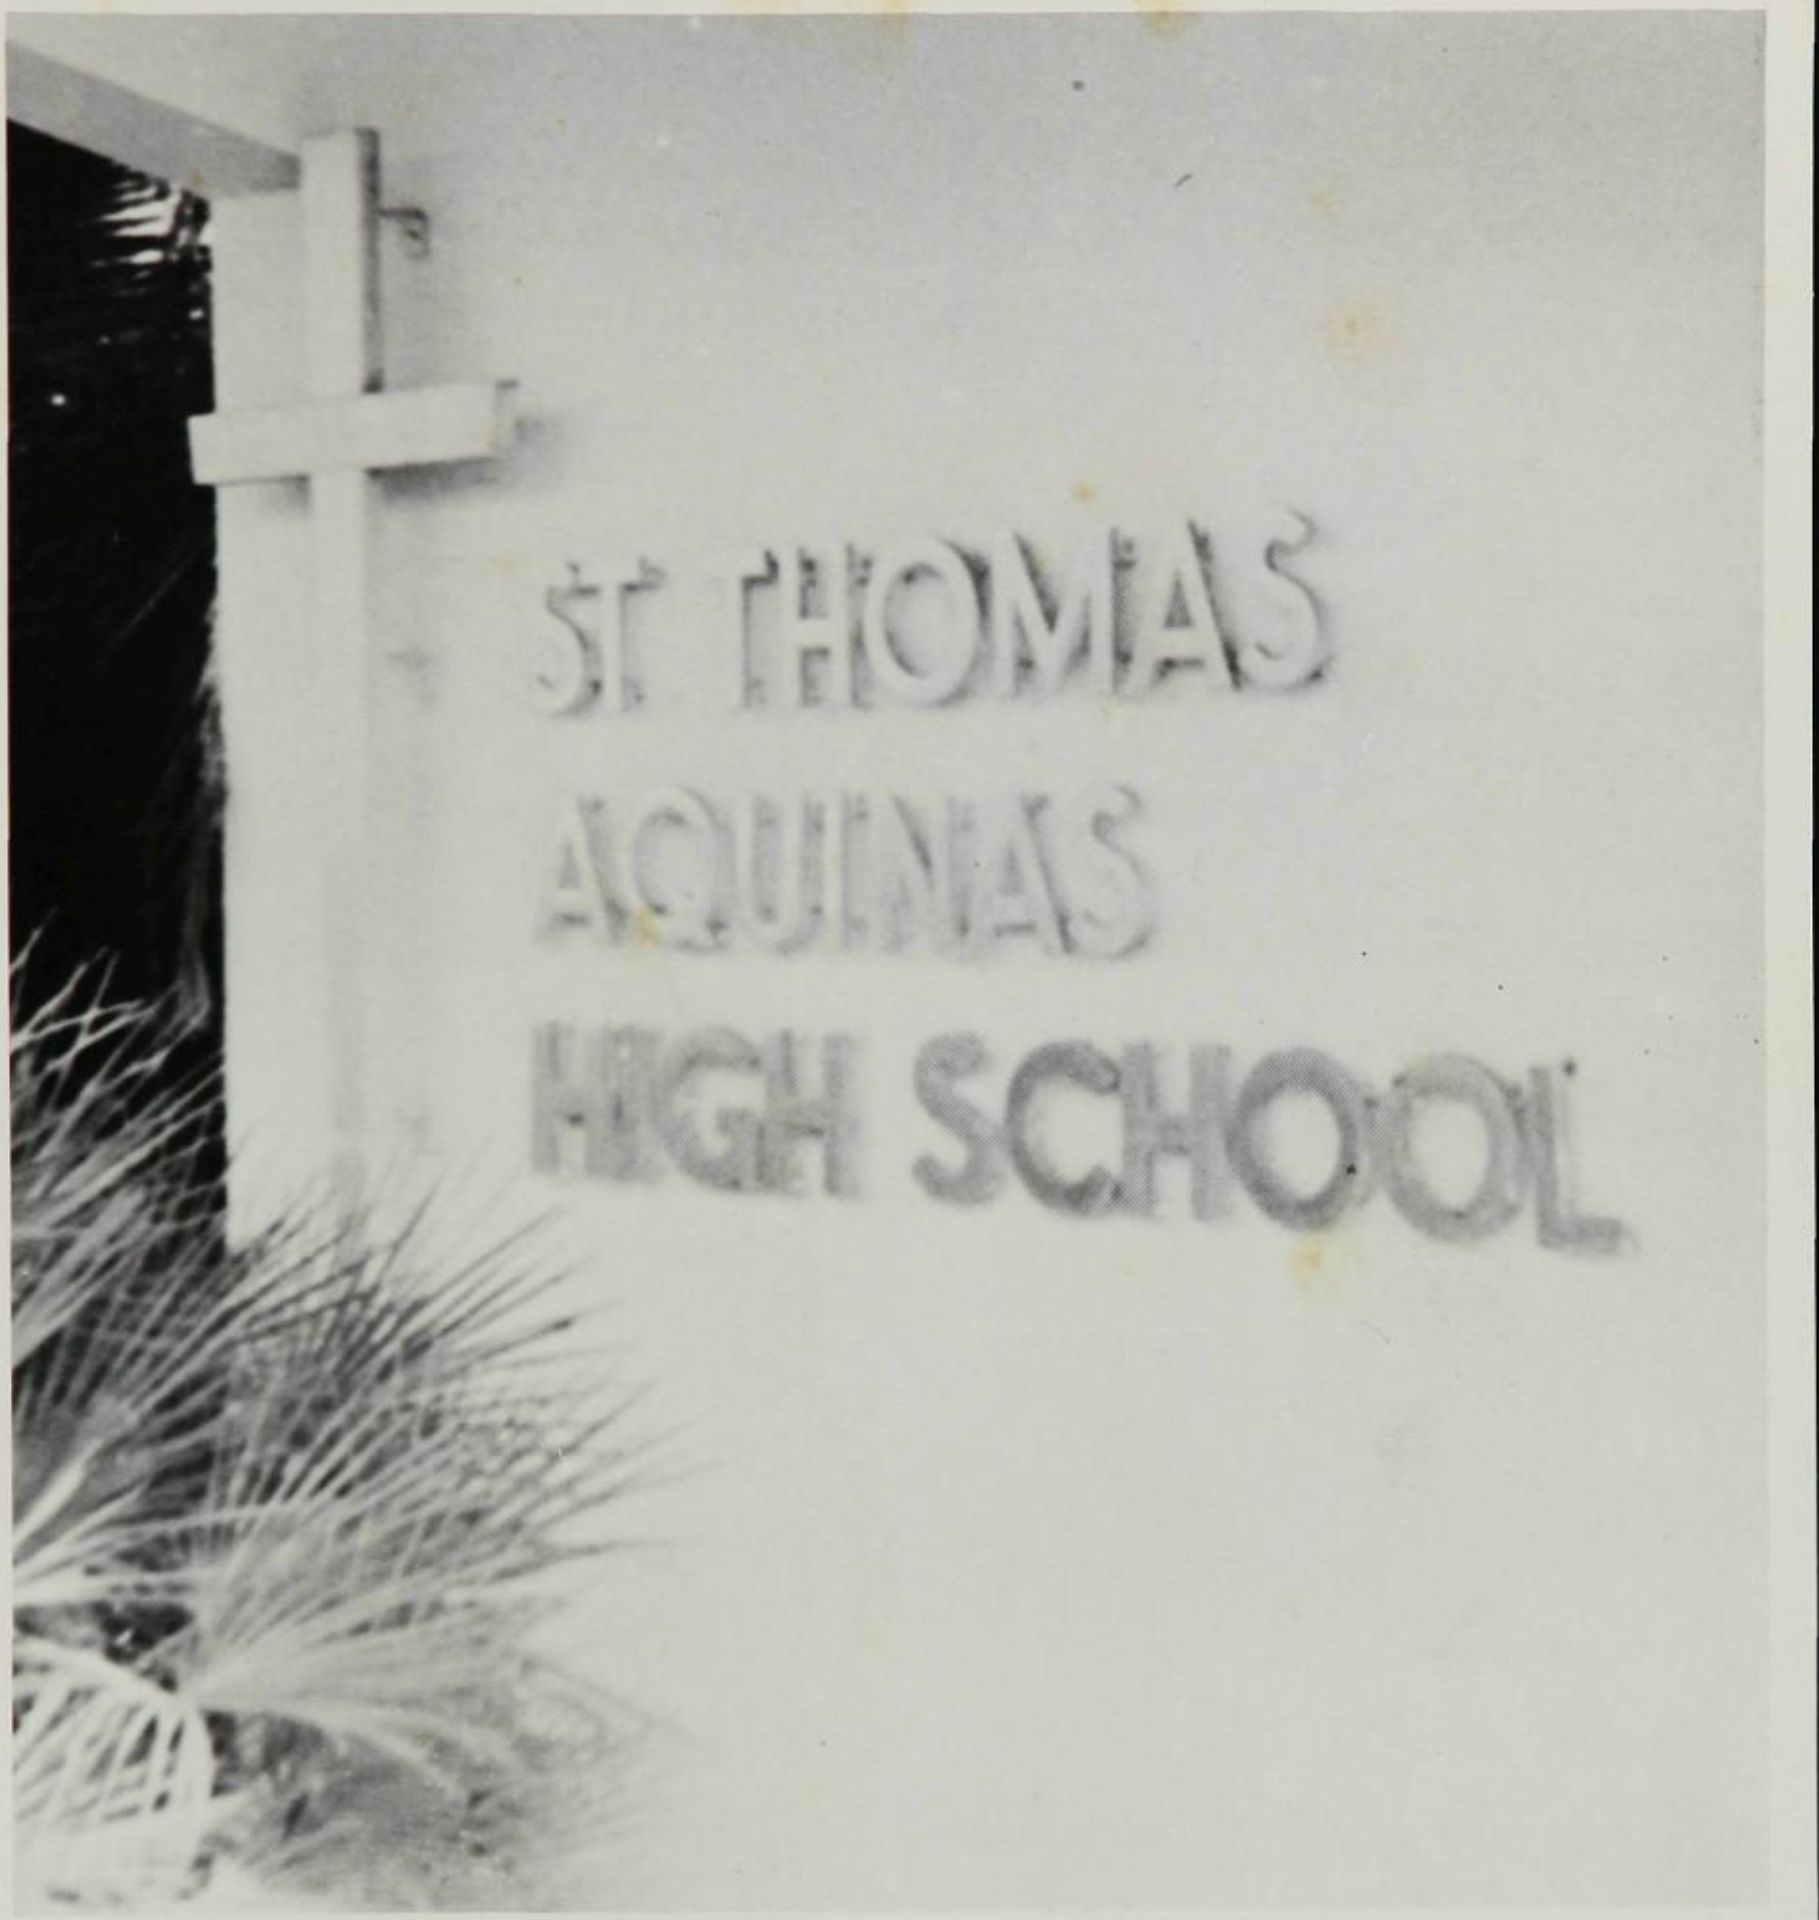
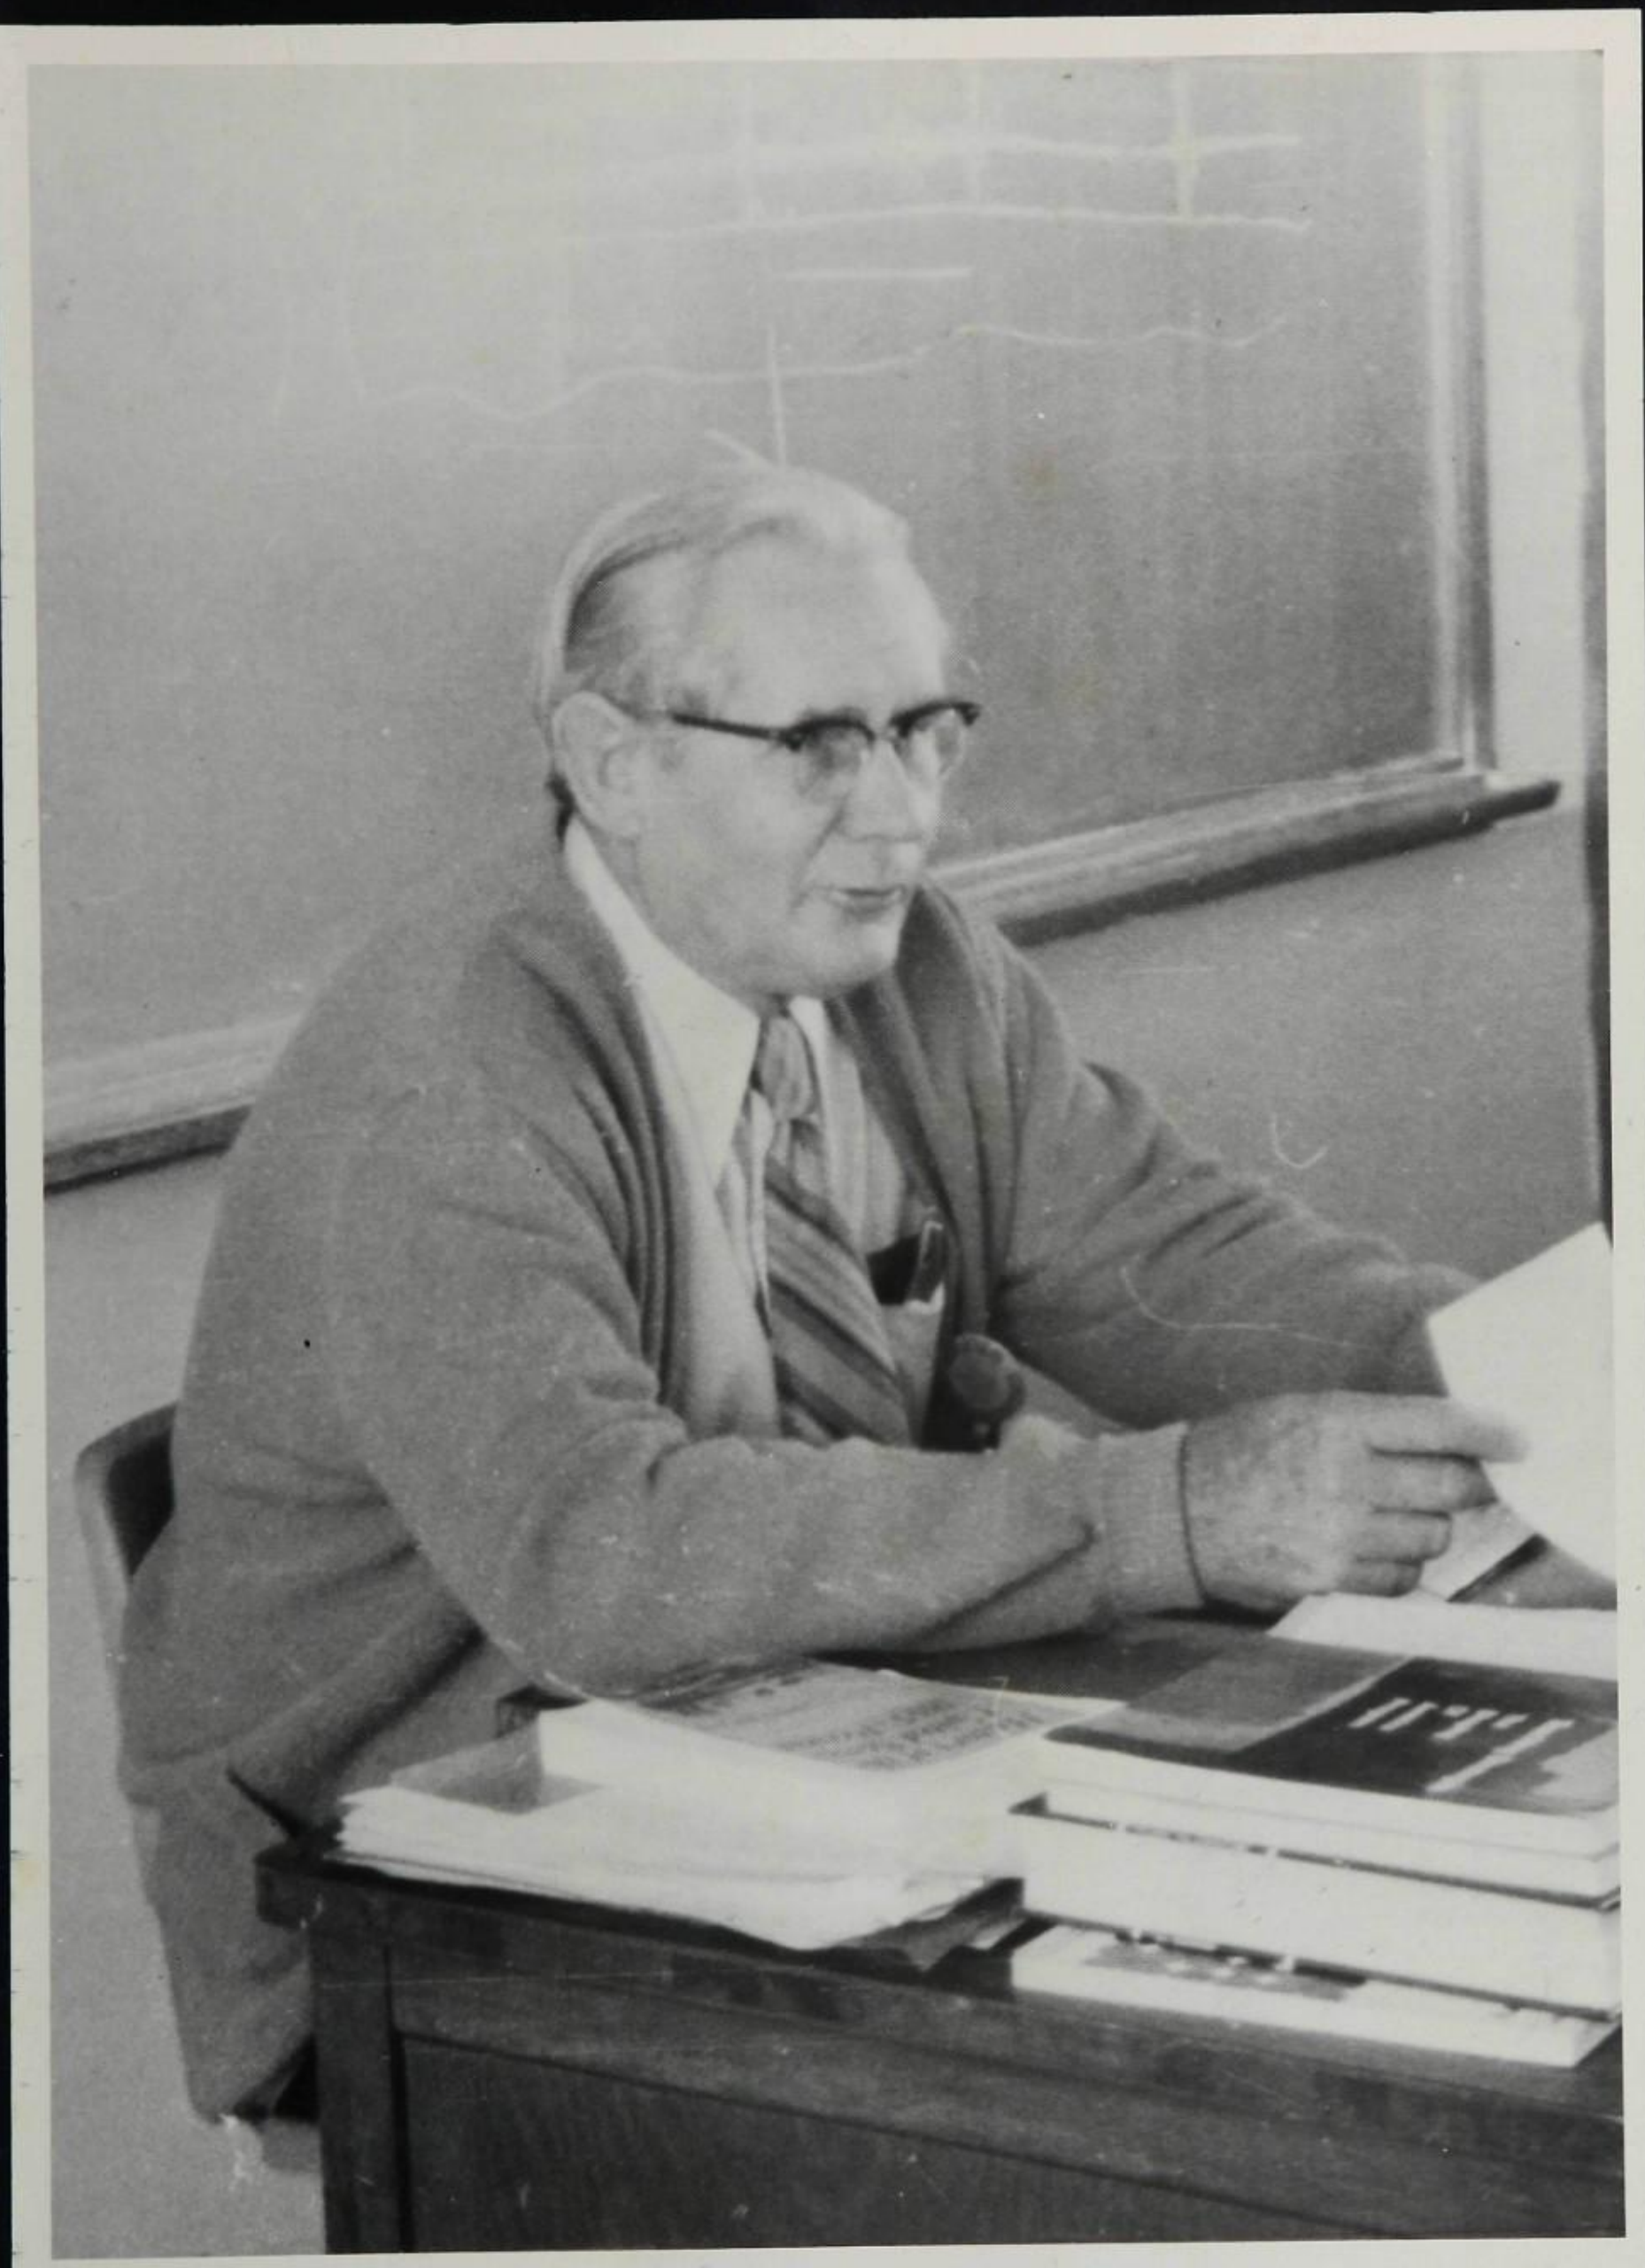
BALEARIA



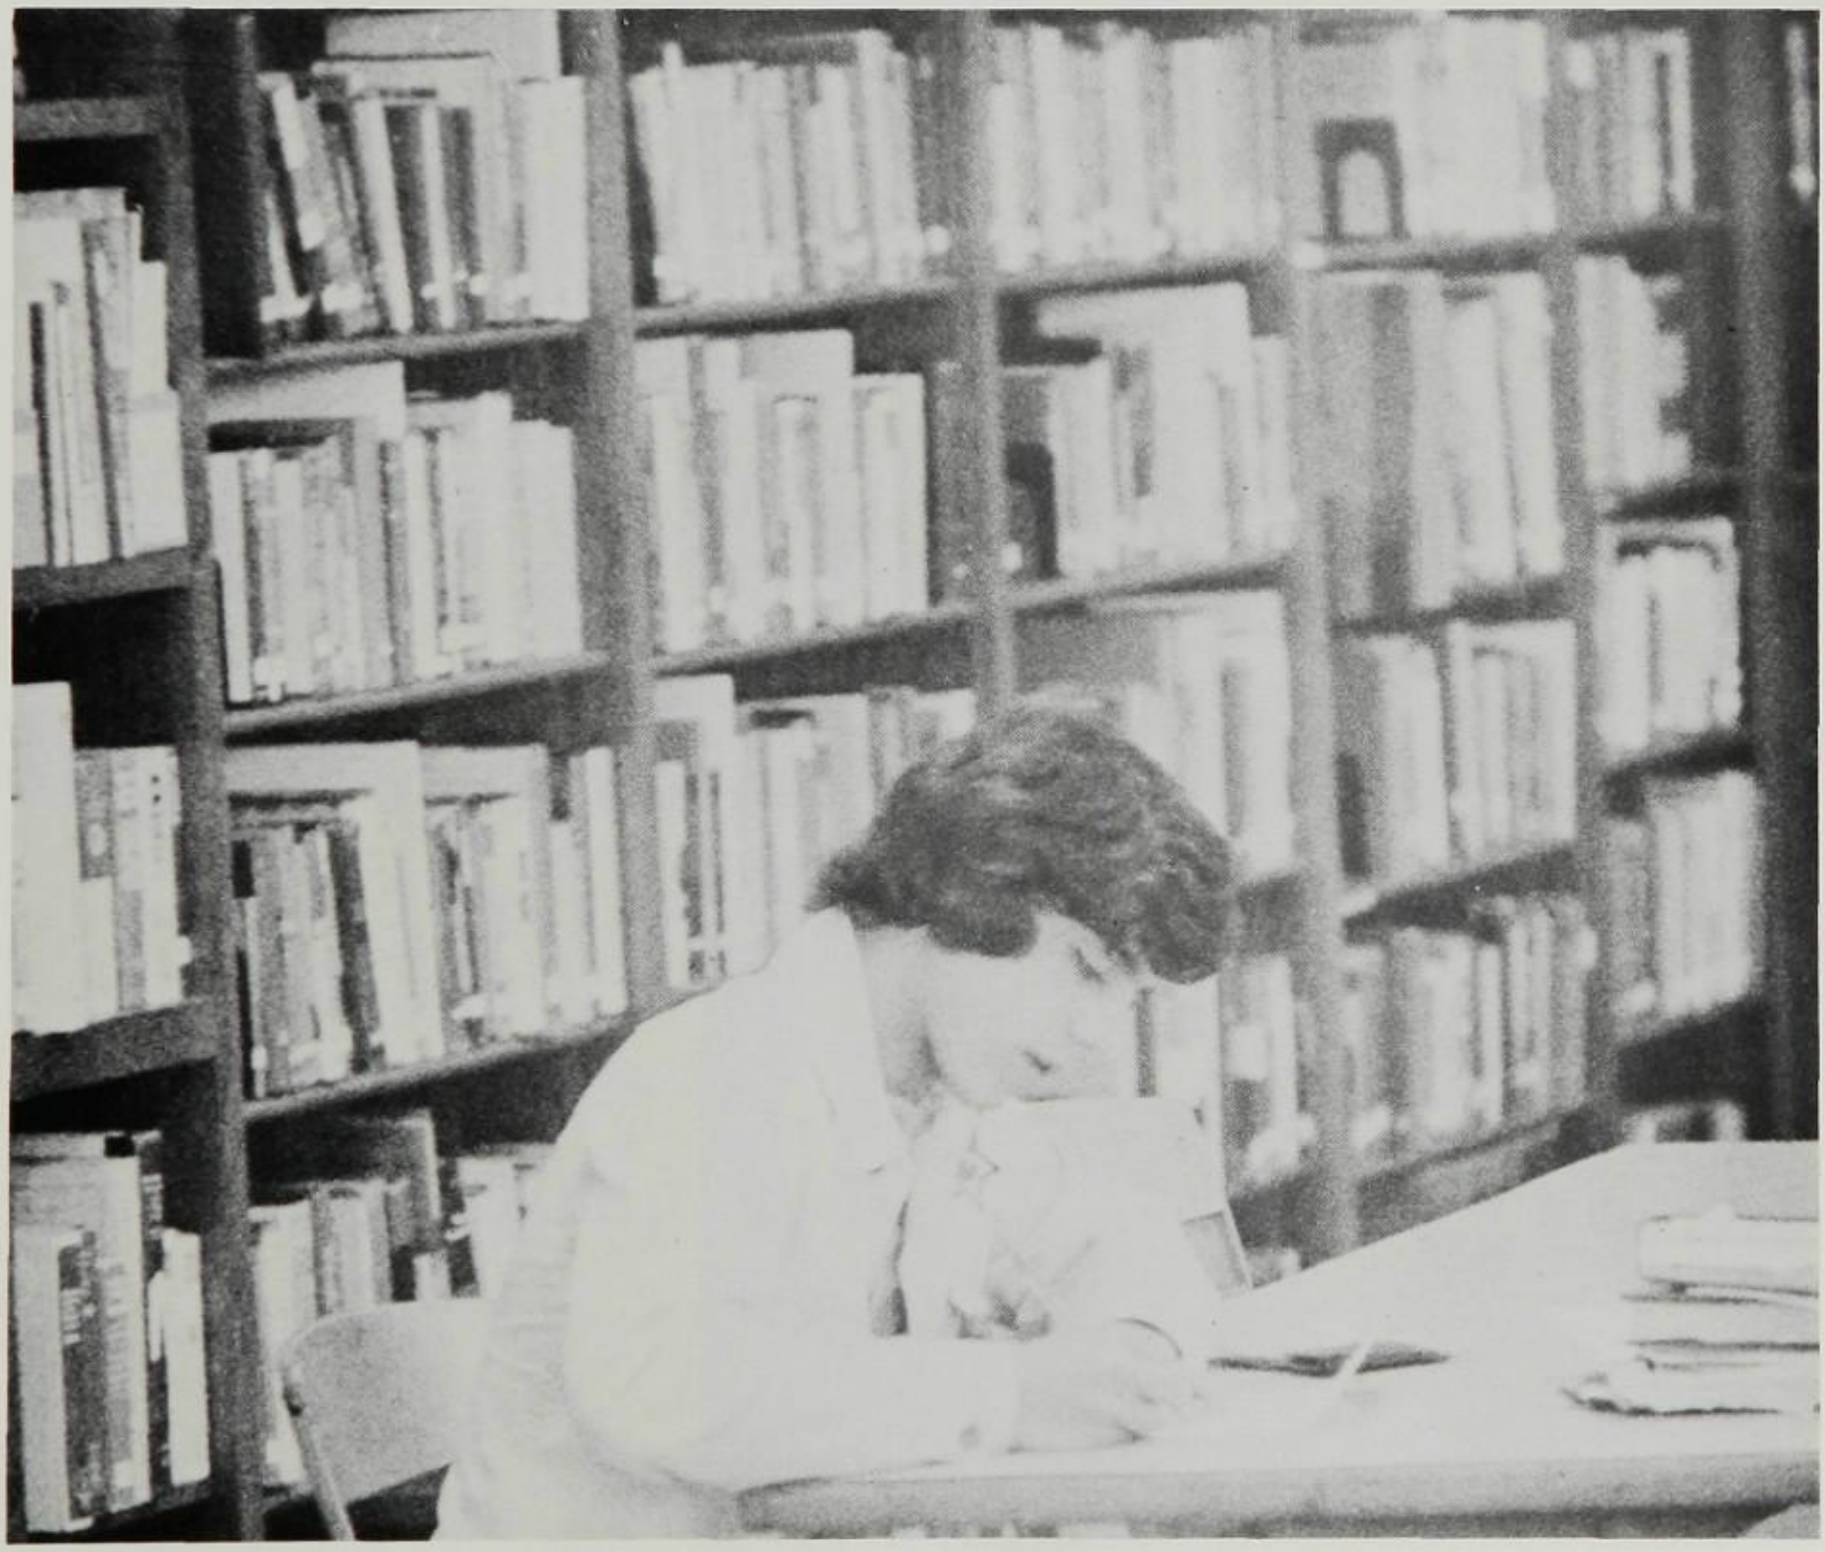
VERITAS 1973

FORT LAUDERDALE, FLORIDA

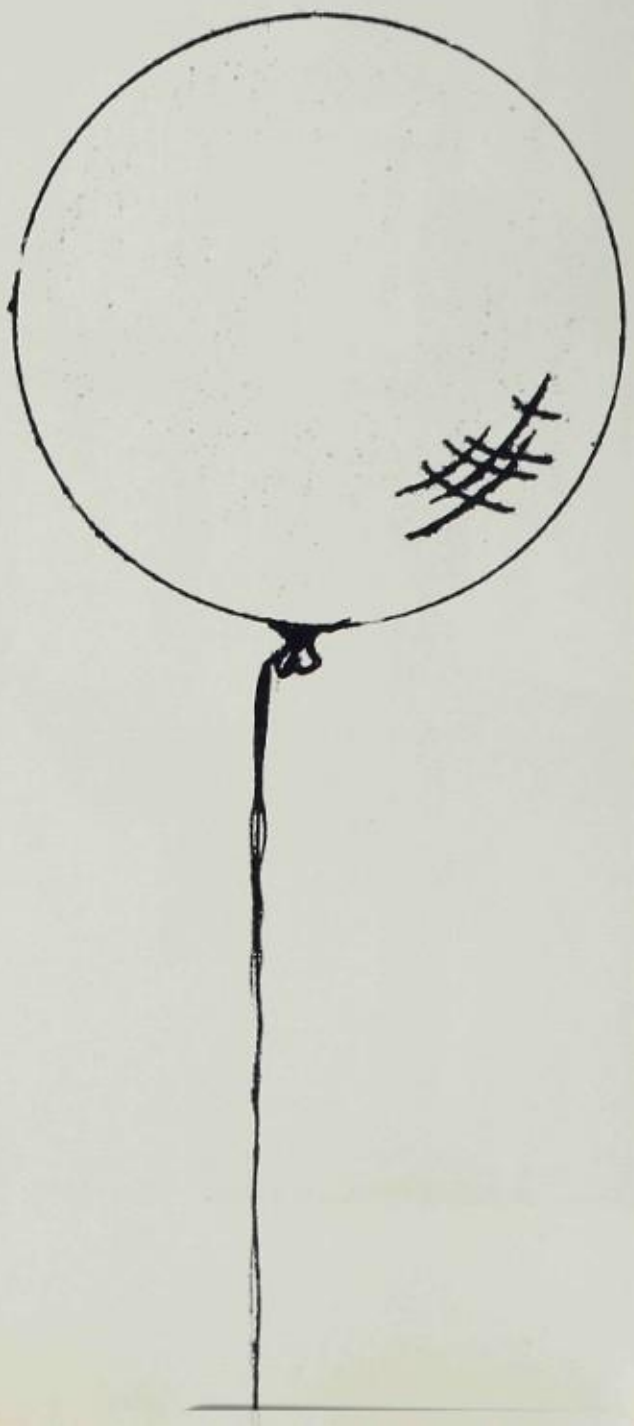
To Mr. Pius G. Litzinger,
fondly known as "Bo",
For 28 years of time and devotion as athletic director, coach and teacher, we proudly dedicate the 1973 Veritas.



It seems to me a crime
that we should age . . .

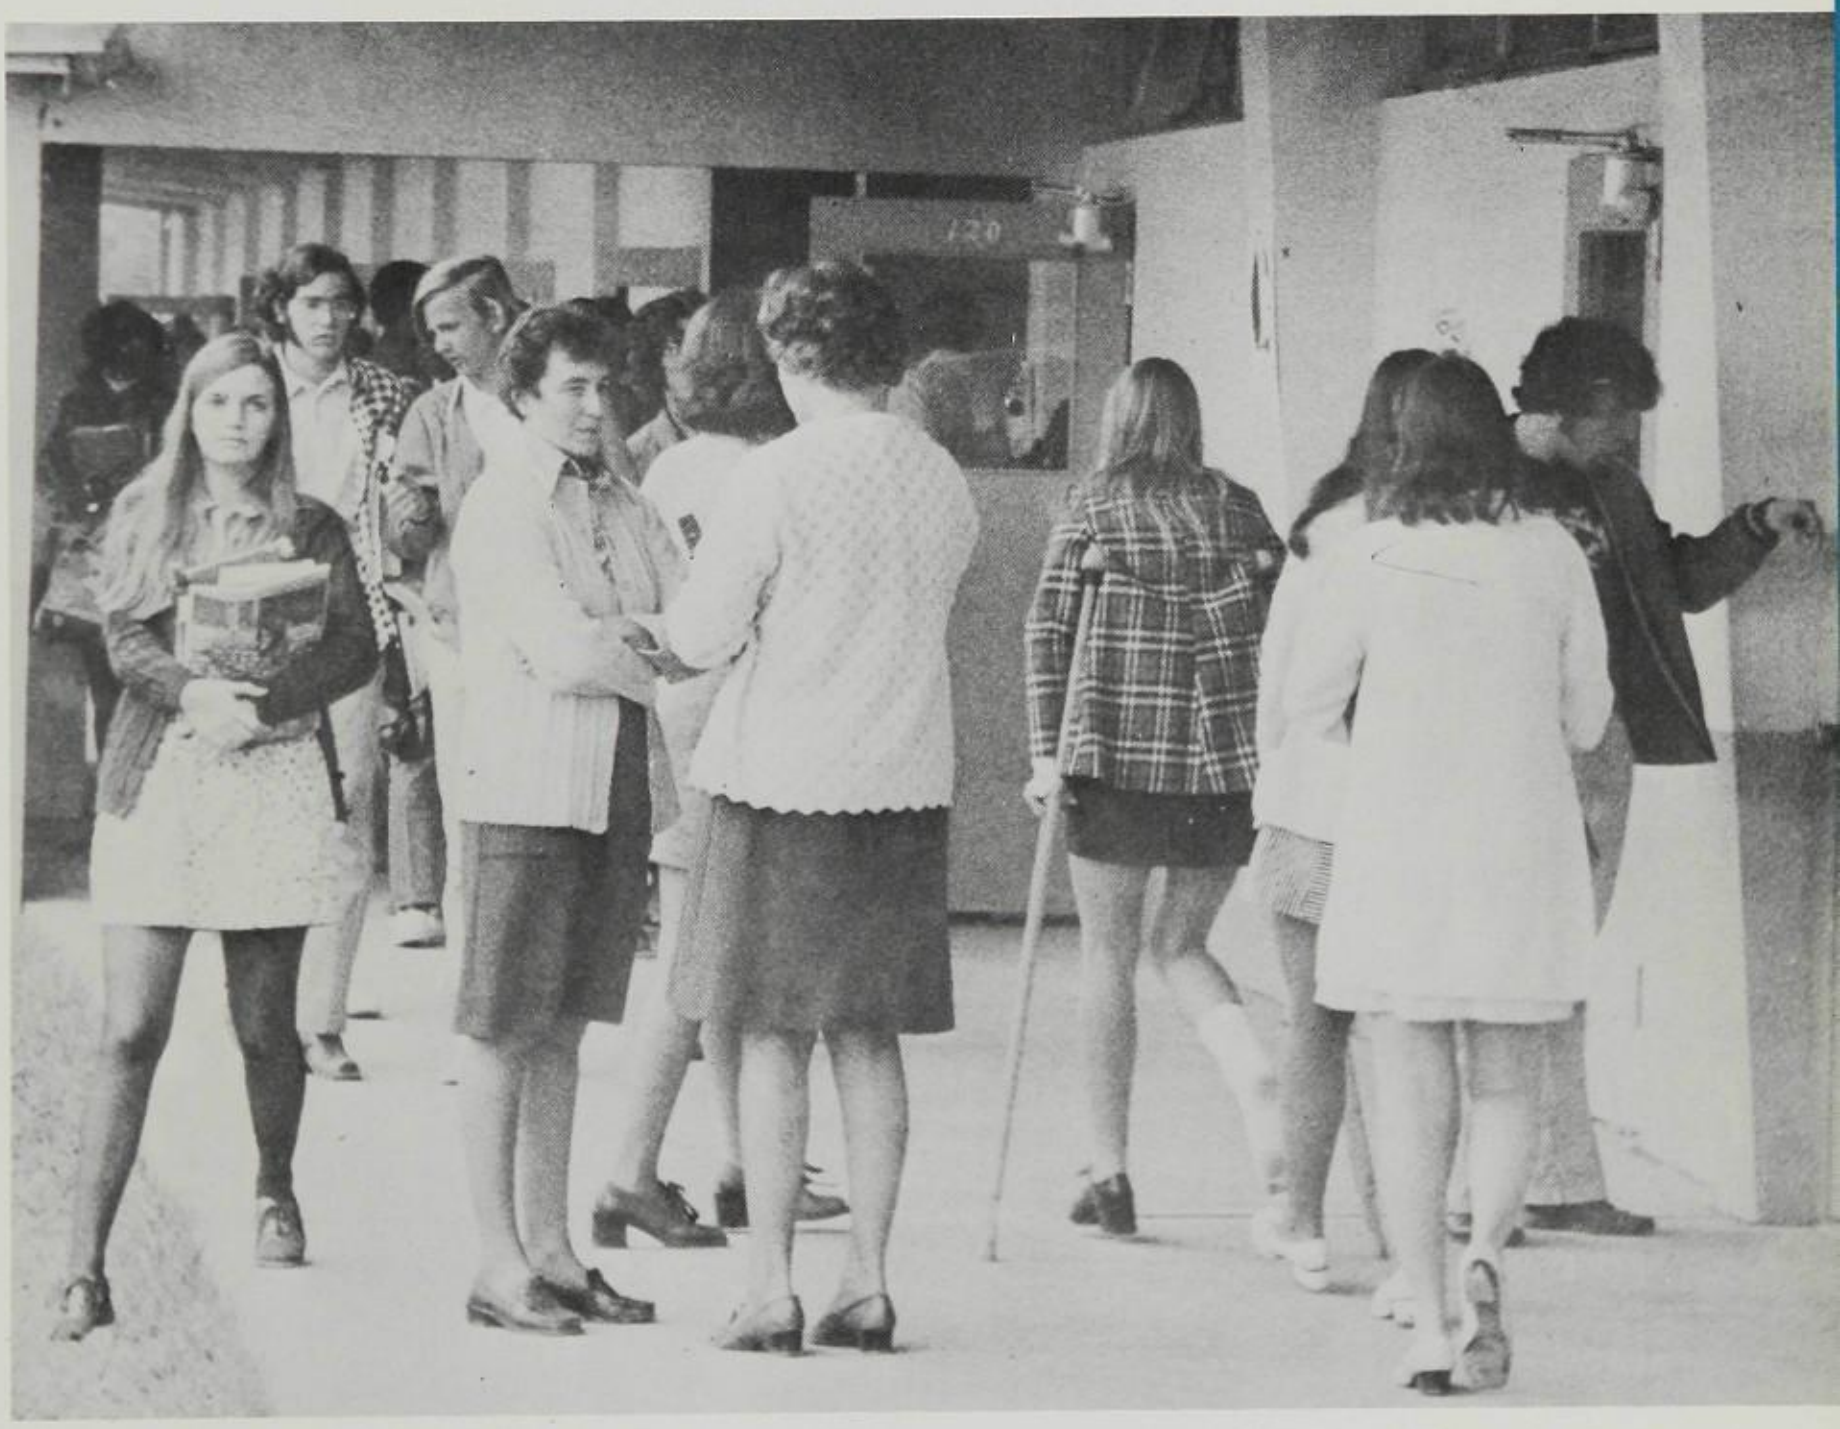


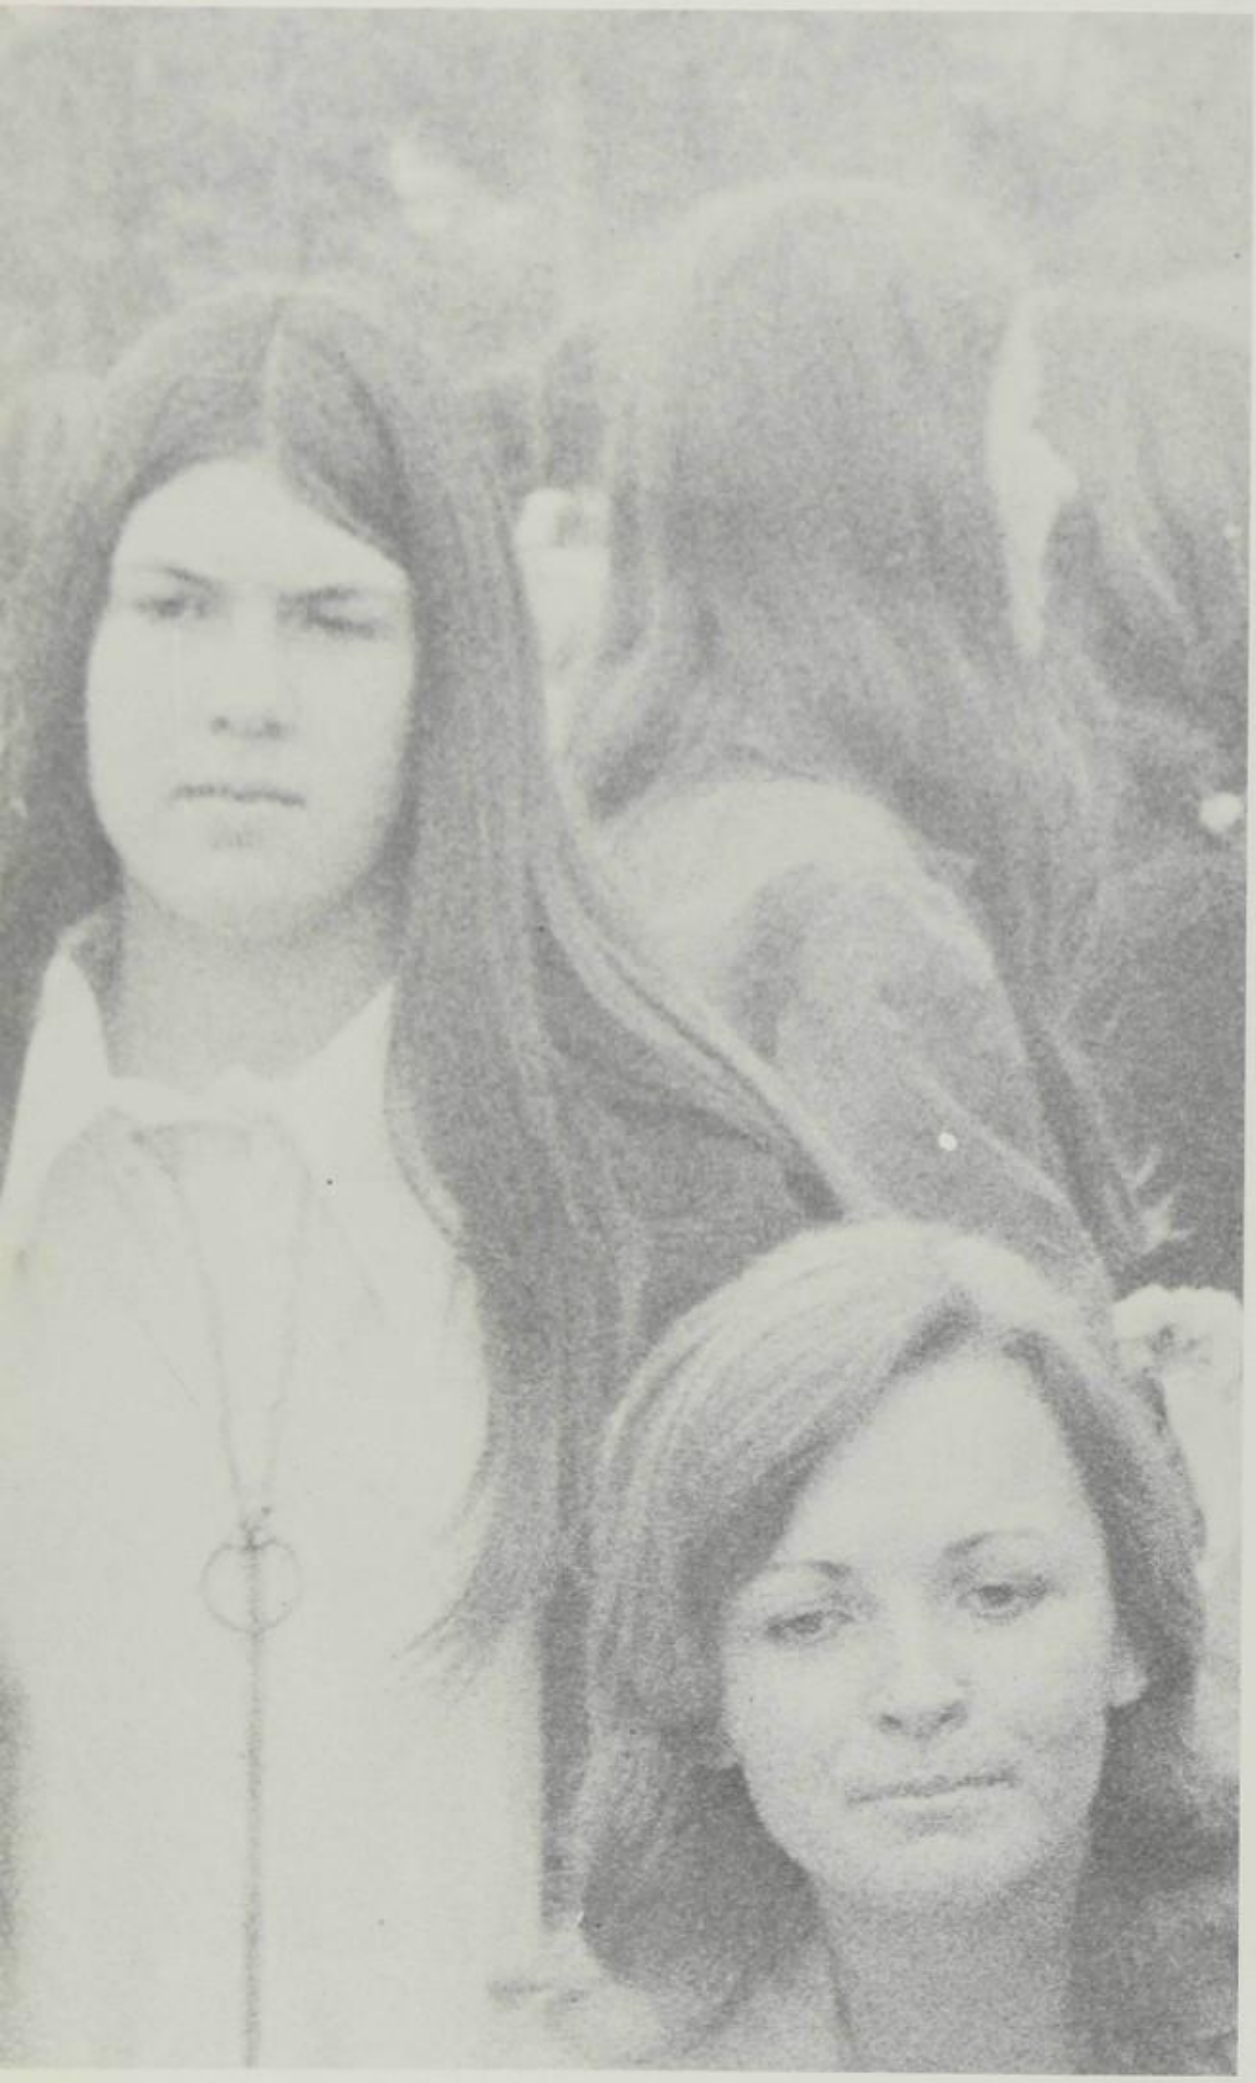
75



These fragile times
should never slip us by . . .

A time we never can
or shall erase . . .





As friends together
watch their childhood fly . . .

Good Luck

DESIDERATA

Go placidly amid the noise and haste. — Without surrender be on good terms with all persons. Enjoy your achievements as well as your plans. — Keep interested in your own career, it is a real possession in the changing fortunes of time. Observe the virtue and goodness that surround you; many persons strive for high ideals; and everywhere life is full of heroism. — Be yourself. — Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. — You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. — Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. — With all its sham, drudgery and broken dreams, it is still a beautiful world.
